Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are devoted to giving new design concepts and top quality in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy offering items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their comprehension of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

The staffs at TREK and their dealer-partners are strongly committed to having both parts and technical support accessible when it is needed. Their high service commitment is amongst the core values in their customer service. Keeping their clients' cleaning machinery working and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine that eventually reduces your cleaning cost. The product, the price and the service all work as one to make them an industry leader.
