

## American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized within the industry as strong and durable machinery that satisfies the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nationwide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery operated walk behind model of floor scrubber along with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln can provide equipment, components and warranty service for these types of scrubbers that carry both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of numerous facility supervisors where efficiency and results count. Recently, this floor scrubber model has been requested by the architects in new construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
